

The Bonivital Minor Baseball Association will be holding their annual AGM on December 1, 2022:

Bonivital Minor Baseball Association (the “Association”)

Notice of Annual General Meeting of the Members

December 1, 2022

Norberry-Glenlee Community Club (NGCC)

26 Molgat Avenue, Winnipeg

As you are aware, the last few years have been very challenging on our baseball player enrollment. This unfortunately is a nationwide issue but we are happy to say that the hard work of our Bonivital volunteers, community club partners and Board Executives that our enrollment numbers are back on an upswing and our younger age groups are back to a pre-pandemic level.

Unfortunately, the last few years has also been hard on our volunteers, community club partners and Bonivital Board executives.

Bonivital Minor Baseball Association is putting a call out for volunteers. This coming year we will always need volunteers on the playing field (coaches, assistant coaches, safety officers, managers, etc. Our local community clubs always need help in the form of community club baseball convener and general help. Paid umpires are also in very short supply.

Last year due to some unexpected time constraints, the Bonivital Executive Board worked extremely short staffed. If it wasn't for Jeff, Dawn, Nathan and Glen, Bonivital would not have been able to pull off the playoffs and the regional, provincial tournaments running so smoothly.

This coming AGM will have open positions on our Board such as Registration, Branding, Secretary and Umpire in Chief for volunteers to step up and fill. All volunteer positions as noted above are equally important but as the snow starts to fly, we start to plan for the upcoming season.

If you have the time and love the game as we do, please consider attending the upcoming AGM or contact a Board member to discuss helping out this season.

Thanks

Bob Sawchyn

President

Bonivital Minor Baseball Association
