**PLEASE NOTE:** When there are no large pots and the attendance is low, people can save places for people with dabbers until 6:15. After that if there is no book to save a spot, the dabbers must be removed and the seats are open. When attendance is higher due to large pots, no spot can be saved by a dabber...there must be a minimum of a book of 6 to save the spot. This will be called the "no dabber policy" and we will advise people when we will be implementing it. Volunteer spots will be saved until 6:30 pm.
