

NGCC - Indoor Soccer 2020-2021

Welcome to the 2020-2021 indoor soccer season!

Indoor soccer is a great way to play soccer through the winter. It will help maintain and build skills. Winnipeg's indoor facilities are fabulous! Make indoor soccer is your new winter sport!

Please Note: Unlike past indoor seasons, teams may not be able to practice during the week due to no access school gyms. This indoor season may only consist of one game per week (no practice). Teams are welcome to source and fund their own practice space.

INDOOR SOCCER LEAGUE DETAILS:

- Registration fee = \$400 (plus \$20 Participation Fee) for all ages
- The league is available for players between the ages of 9-18 (born 2011 to 2002).
- The season will start on October 29 and finishes in mid-March.
- This is a city-wide league, and games are scheduled by WYSA (Winnipeg Youth Soccer Association).
- Historically, the girls' teams play on Saturdays and boys' teams play on Sundays. Older age groups may play during the week.
- Games are played in venues throughout the city: Winnipeg Soccer Federation South (University of Manitoba), Axworthy Health and RecPlex (University of Winnipeg), and Winnipeg Soccer Federation North (on Leila close to McPhillips)
- Practices to be determined (see above).
- Teams will be determined in early October.
- Late registration will only be accepted depending on the availability of roster spots in the age group. All late registrations are subject to a \$50.00 late fee. There are no exceptions.

COACHES NEEDED: Parent coaches are the foundation of our soccer teams, and the club needs coaches for the teams. Please consider being a coach, assistant coach or team manager. When registering, please check the appropriate box to indicate your willingness to coach/assist/manage. As a coach/assistant/manager, not only are you contributing to your child's and the other players' development and supporting the community – you are part of a very rewarding experience!

PLEASE NOTE: To balance roster sizes, players may be placed on teams with other community centres.
